REVISED TRAFFIC PATTERN

11 October 2006

We continue to review the traffic patterns and issues associated with the opening of the Shop Road Gate and we appreciate the many suggestions we have received. Safety is of paramount importance.

Effective immediately, the following changes in and around the Shop Road Gate will be in effect: **all speed limits are reduced to 15 MPH**, **2nd and 3rd Streets are one lane traffic and one way traffic** and **the intersection at Sisisky and C Ave is a three way stop**.

Please drive carefully, pay attention and abide by the signs that are there to help direct you. Also, please **remember you cannot talk on cell phones while driving a vehicle on Fort Lee unless you are using a hands free device**. Members of our Provost Marshal office are heavily patrolling this area to enforce these changes and to help keep you safe. Thank you for your
